

Strict Penalties against Traffic Violations in Tamil Nadu State

June 22, 2017

Consulate-General of Japan in Chennai

1 According to the news report, the Government of Tamil Nadu has introduced more strict penalties including cancellation or suspension of driver's licences against traffic violations.

2 The news report said that the Government has decided to introduce more strict penalties to cancel driving licences against violation of exceeding speed limits, jumping traffic signals, drunk driving, using mobile phones while driving and carrying loads above the prescribed maximum loading capacity in transportation vehicles. Also, the government requires all drivers to carry their original driver's licences while driving.

3 Based on the above mentioned, please pay adequate attention to traffic safety.
